A Message from Max

THE WOW FACTOR - PAST STUDENTS..... NOW OLYMPIANS

Whilst the Olympic Games this year may well have been tarnished with so many athletes being banned, Matahui School has reason to celebrate. This week Mennie Scapens forwarded me a short film clip featuring Ella, Bryden and Jane Nicholas. Both Ella and Bryden are off to Rio to represent the Cook Islands in the canoe slalom at the Olympics. What is even more outstanding is the fact that this will be Ella's second Olympic Games. Watching the interview with Ella it was not difficult to imagine the pride her family must feel in the accomplishments of their children. Check out the link on our Facebook page.

Our sincerest congratulations and best wishes go with these amazing young people who continue to excel and demonstrate what can be achieved with motivation, drive, enthusiasm and commitment – what wonderful role models.

We would like to wish you a restful and happy holiday break and look forward to seeing you all back for Term 3 which is full of diverse events that will challenge and engage our students.

group. The students are really new to the game but under the careful guidance and coaching of Dave MacCalman, ably assisted by Sue Furness, they have gone from strength to strength. In fact, this week they won their third game in a row against a team that had previously beaten them. What an outstanding effort! We are immensely proud of this group of young athletes. In the near future they will be competing at a day long tournament in Tauranga which will be a new experience for them. We wish them continued success. Thank you to all the parents who have supporting the team on a weekly basis.
