## MATAHUI SCHOOL SCHOLARSHIP

### OVERVIEW

Scholarships are available, up to \$2375 – 25% of the annual tuition fee, aimed at making a contribution to families who need assistance to have their son or daughter attend Matahui School.

Applicant's families must undertake an enrolment interview with the Principal. The scholarship application form and supporting documentation must be completed in full.

The scholarships are awarded to students using the following criteria:

- who are new to the school
- whose parents would be unable to cover the full cost of the tuition fees
- who will contribute positively to the school philosophy and ethos, and make the most of their opportunities
- who would have the ability to benefit from the special features of the school

*The scholarship is reviewed annually and may provide financial assistance towards tuition fees subject to the requirements above being met.*
